

Our Vision

To equip students with an optimum level of subject competence, practical experience and moral uprightness and mould them into global citizens ready to take up the challenges of tomorrow.

Our Mission

To establish a school that is worthy of being termed 'Model Education Center' school that imparts education on par with international standards and thereby helps mould a community that works for a peaceful world.

Our guiding spirit late Mr. P K Ali Pillai was born in 1915 in a typical village, with none of the characteristics of a town. After completing his schooling at Perumbavoor, his passion for education led him to U C College, Aluva, 18 kilometers away from his home. Mr. P K Ali Pillai won his B.A. Degree in 1937

The PK Ali Pillai trust was formed in his light and comprises of visionaries in the field of education. The trust was founded with the motive of improving the standard of education and thus providing a holistic education to the future generations.

ASPIRE RESIDENTIAL SCHOOL, an initiative of the P K Ali Pillai Trust, offers new age delivery of education that promotes learning without compromising on inculcating a spirit of competition. We are located at Ponjassery, Perumbavoor. As our school campus is located within a rural area, it creates an atmosphere where life seems to revolve solely around the school and its students.

The beautiful school campus of **ASPIRE RESIDENTIAL SCHOOL** in Perumbavoor includes a modern, aesthetically designed building to house the classrooms and indoor activities as well as ample open area for various sports facilities

At ASPIRE, we believe learning needs to be fun and engaging. Catering to the needs of a learner for a fun- loving and joyful learning experience, we offer an Innovative Packet of Interactive and Digi-Learning Aids

Our teachers do not merely impart knowledge but also mentor students, helping them discover their imagination, creativity and self-identity, as it builds and unfolds through the school years.

When you join the Aspire family you can be assured that your child will be moulded holistically, will be well groomed and ready to face any challenges in life.
