ARPS/Circular/2021-22/005

Assessments for Gr 1-8

Dear Parent,

We have received few requests from working parents expressing their difficulties to provide the necessary support to their children during the time of assessments. Such parents are requested to send a mail stating their difficulty in detail, to the Principal (principal@aspirenschool.co.in).

They will be contacted by the class teacher who will be giving the necessary instructions to be followed and providing the necessary assistance.

Requesting your cooperation and support.

Regards,

Principal

Ms. Anitha George
