ARPS/Circular/2022-23/009

**Sub: NEW ACADEMIC YEAR**

Dear Parent,

As we begin the new academic year with new hopes and expectations after two challenging years dealing with the pandemic situation with all of its protocols and restrictions, it is an absolute delight to see our students all set to blossom into more enlightened, skilled and confident individuals, ever striving towards perfection. I would like to welcome you all once again to the new academic year 2022-23 as we continue to provide the best learning experience in innovative ways.

We recognize that to be successful in school, our children need support from both home and school. We know a strong partnership with you will make a significant difference in your child's education. We would appreciate the triangular approach: teacher-child-parent as it will benefit the holistic development of the child. Let's work hand-in-hand for the betterment of our children.

Our theme for this year is: **Promoting Excellence Through Determination And Hard work**. We have planned out the following approaches/activities for our students this year:

- Formation of the Student Council and Investiture Ceremony
- Regular Drop Everything And Read (DEAR) sessions
- Stress on SPaG- Spelling, Punctuation and Grammar work
- Guided reading in lower grades
- Promoting basic reading and writing skills across the grades
- Identifying learning gaps and providing continuous remedial sessions
- Following experiential learning in all subjects
- Introducing coding and design thinking modules in Gr 5-8 along with IT syllabus
- Improved observation and assessment in Early Years
- More emphasis on spoken language- English, Hindi and Malayalam and vocabulary development using strategies such as Speaking sessions, Spell Bee etc.
- Generating in-depth knowledge in Math with the help of Mental Math sessions, Math Kits and lab activities
- Taking the students out for field trips and make them understand real life situations and learn more from such experiences
- Archery for Grades 3-9
- Maintaining Vegetable Garden and Butterfly Garden in the school campus
- Conducting camps in the school campus related to medical field, art activity and useful skills
- Continuing the interactive sessions with dignified personalities and experts from different fields
- Release of the School Magazine
- Sports Day and Annual Day Program

We solicit your co-operation with the school in instilling discipline and regularity in your child and helping us to groom the child to be a good citizen of society. Let us make this year a promising one for all!

Thank you.

Regards,

Ms. Anitha George

Principal
