Times NIE Student Edition Newspaper 2022-23

Dear Parent,

Newspapers specially customized for school students have become an integral learning aid in bridging the gap between classroom teaching and the current world. Times Newspaper in Education (Times NIE) is a novel program that helps students 'Stay Ahead' and aims at making 'Learning Fun'.

Times NIE is excited to share the proposal for the Print version of the popular The Times NIE Student Edition. The Times of India - Student Edition is especially crafted to address new learning. Drawing inspiration from the NEP, the print edition will be snappy, filled with exciting and engaging concepts, language skills, success, leadership, fun spaces etc while providing a voice for our future generation with topics on environment, climate changes etc. We feel that this will help to enhance the vocabulary, general knowledge and language skills of our students.

Despite rising challenges with costs such as newsprint, fuel, delivery, transport etc, Times NIE has managed to keep their pricing at most minimal. Request you to kindly note the subscription package details offered by the vendor for the school.

Subscription Duration	Rate
September- February	Rs. 360/-

Times Student Edition newspapers will be on weekdays, Monday – Friday, for the students of Grades 4-9.

Interested parents may please send the payment in an envelope marked "Newspaper Subscription", across to the class teacher by **Friday, 27th August 2022**. In the case of siblings, please send the amount through the elder child.

I request you to take advantage of this opportunity and subscribe to the newspaper.

Regards,

Ms. Anitha George
Principal
