The Online exams will be conducted on the above-mentioned weekend dates. All children of the school will not be able to write the online exams at the same time. The timings of the exams for the various classes will be distributed amongst the 2 week-end days to avoid any server problems. The exact timing of the exam of each student will be intimated to the student well in advance.

The detailed guidelines are given below:

GUIDELINES

1. The student can use desk-top (with camera), lap-top (with camera) with good Internet connection for the examination. In an unavoidable circumstance, any smart mobile phone (android / apple) & I-pad with good internet connection may also be used for the online examination. The child will have to provide his / her photo while appearing for the examination.
2. It may be noted that if the child uses a mobile phone for the exams, the incoming calls may cause hindrance during the exam, although additional time will be provided considering the case.
3. The whole examination will be video-taped. The child will get his / her participation certificate online with the photograph of the person who has appeared for the examination.

4. The other certificates such as Zonal (State) certificate, National Certificate, International Certificate, All Medals etc. will be sent to the respective school only in the next academic year.

5. Sufficient time will be provided to each student to fill-in his / her details before the commencement of the examination.

6.2 -3 mock online examinations will be conducted for each exam, at adequate time before the actual online exam date. It is highly advised that the child uses the same device as used during the mock examination, for the actual examination too.

6. All details and updates regarding the online examination will be provided to the students / parents on the registered mobile phone number / e-mail well in time.

In case of any queries, please contact the Olympiad Coordinator, Ms. Bindu Prabhaji or the Class Teacher.

Regards,

Principal
